WORK EXPERIENCE

Intern, Nederlander Organization

Hollywood, CA Summer 2017

- Created spreadsheets documenting ticket sales and projecting estimates for ticket sales on opening nights
- Contacted both agents and venues for both information regarding booking and assisting in setting up meetings with firm partners
- Created a traffic projection map to estimate average traffic times in LA, Santa Monica, Santa Barbara, and the Greater LA area to have optimal venue opening times

Oversight Committee, Carleton College

Northfield, MN Fall 2017 - Spring 2018

- Created and voted on Men's Varsity Golf schedules
- Managed the budget to ensure that the team would have adequate transportation and housing during collegiate events
- Acted as a mediator for difficult team dynamics to come to amicable conclusions for both parties
- Worked collaboratively with a partner in an intense, fast paced environment
- Met with golf coaches in the MIAC conference to negotiate the location of events

Senior Mentor, AnyWhere Education

Northfield, MN November 2015 - May 2016

- Created personally tailored agenda based on the need of the students.
- Assist with time management strategies for students who are struggling to find balance with school work and extracurricular activities
- Worked as a writing tutor
- Provided assistance with filling out financial aid and tax forms once students were in college

Ground Manager Assistant, Edgewood Country Club

Pittsburgh, PA Summer 2016

- Worked grounds crew early in the mornings to ensure highest quality experience for customers
- Maintained golf course and clubhouse conditions
- Accomplished lengthy projects (sodding, removal of trees, landscaping) in a timely and efficient manner
- Practiced cost efficient utilization of resources when repairing golf course from water damage
